Item 8.01 Other Events.

Due to circumstances related to the coronavirus ("COVID-19") pandemic, HomeTrust Bancshares, Inc. (the "Company") is filing this Current Report on Form 8-K to utilize an extension for the filing of the Annual Report on Form 11-K of the HomeTrust Bank KSOP Plan (the "Plan") for the plan year ended December 31, 2019 (the "Form 11-K"). The Company is relying on the Securities and Exchange Commission's "Order under Section 36 of the Securities Exchange Act of 1934 Modifying Exemptions from the Reporting and Proxy Delivery Requirements for Public Companies" dated March 25, 2020 (Release No. 34-88465). It is expected that the Form 11-K will be filed no later than August 13, 2020, which is the 45th day following June 29, 2020, the original due date of the Form 11-K.

The Company has experienced disruptions to its internal operations as a result of the COVID-19 pandemic. Many of its employees, including human resources personnel, have been working remotely. Since March 1, 2020, all human resources personnel have been diverted to addressing the pandemic and focused on impacts to the Company's employees, revisions to the Company's employee benefit plans to comply with the Coronavirus Aid, Relief and Economic Security ("CARES") Act and supporting the Company's business lines in developing safe protocols for employees and customers while conducting essential business. These protocols have continued to evolve as the states in which the Company operates modify pandemic-related restrictions on business activities.

The Plan's third-party administrator (the "TPA") has likewise experienced disruptions to its business and operations as a result of the COVID-19 pandemic. Many of the standard reports the Company receives from the TPA in the areas of year-end compliance, employer discretionary contributions and audit testing were delayed. Standard reports that the Plan's independent registered public accounting firm receives from the TPA also have been delayed and many are still outstanding, delaying the completion of the audit for the plan year ended December 31, 2019. In the course of reviewing the TPA's reports on employer discretionary contributions, errors in the crediting of these contributions were recently identified. Although these errors are not believed to be material and corrections are in process, they will further delay the completion of the Form 11-K.

The Company included a risk factor regarding the impact of COVID-19 on its business under Part II, Item 1A of its Quarterly Report on Form 10-Q for the quarter ended March 31, 2020, which risk factor is incorporated herein by reference.
